Aotearoa New Zealand is home to some of the most beautiful scenic drives, with many destinations being only hours away from one another.

With an extensive network of air, train, and road services, most places can be reached by public transport. However, driving is also highly recommended as it allows you to explore at your own pace, and give you the freedom to stop and admire the scenery along the way.

During your road trip, you will want to have the best company, and on this map we have included a list of the best Qualmark certified operators in New Zealand. These businesses are either approved by the Qualmark scheme or have been recommended by its members, so you can be sure you are getting a great experience.

Enjoy your journey and please take care on the roads. It’s important to respect the environment and follow the rules. Be kind to others, and always think about others when driving.

Aotearoa New Zealand: A journey of a lifetime.
